SW200 / SW250 – Manual sweeper

Push your cleaning to a new level

- Direct-throw system to ensure excellent sweeping performance
- Capacity for long time cleaning: 38-litre hopper, which can be kept open for disposal of big items, emptying of garbage bins, etc.
- Easy to maneuver: Large non-marking wheels make pushing and steering simple for the user
- Handles dust well: Built-in filter for improved dust control and user comfort
- Solid and suited for outdoor use: Rugged corrosion proof frame
- Virtually service free: Simple mechanical construction with gear and belt drive. No motor or battery
- The handle can be adjusted to fit the operator height (3 positions)
- The hopper remains in place even when the sweeper is stored in an upright position or hung on the wall

Keeping your premises in good and inviting condition for customers and employees has never been easier. The Nilfisk walk-behind sweeper, available in model SW200 and SW250, offers an impressive performance in outdoor spaces as well as indoor floors. Compared to a manual broom, it will pick up and remove dust, dirt, sand, nails, bolts, cigarettes, etc. up to 6 times faster.
